Applications are reviewed by the District/Authority Scholarship Selection Committees in April. The Committee sends the list of recommended winners to the Ministry of Education in May/June. The Committee also informs the participating schools of any award recommendations in May/June. The Ministry of Education will verify that the award nominee has completed all elements of the scholarship and has completed graduation requirements.

Some time by the end of November of his or her graduation year, the qualifying candidate will receive a **District/Authority Scholarship Tuition Voucher of \$1250.00** which can be applied to a designated post-secondary institution. See www.aved.gov.bc.ca/studentaidbc/welcome.htm for a complete list of designated institutions.

To redeem the voucher, candidates need to have their post-secondary institution verify their attendance, and then mail the stamped voucher to the ministry. A cheque will be issued in 6-8 weeks. For more information, see: <http://www2.gov.bc.ca/gov/content/education-training/k-12/support/provincial-scholarships/redeem-your-scholarship-voucher>

To obtain the District/Authority Scholarship tuition voucher, qualifying students must enroll in, and attend, a full program in a designated post-secondary institution, or a training program which requires secondary school graduation and is approved by the Ministry of Advanced Education and Job Training, normally no later than five years following their high school graduation.
