

# SUPPORTING MENTAL HEALTH EDUCATION IN SCHOOLS 2020-2021 VIRTUAL TOUR

FISA is excited to announce a special virtual tour for independent schools across the province to increase their capacity to provide enhanced mental health learning and supports for their communities. Participants will gain practical strategies and sample ways to implement professional development around mental health and wellbeing in their own schools.

We will be showcasing:

- [wellbeingbc.ca](http://wellbeingbc.ca) website
- Middle Years Development Instrument (MDI)

Who's Invited: School Administrators, Department Heads/Lead Teachers, Counsellors, Learning Resource (Special Education) Teacher Leads.
