

The Westside School

Employment Opportunity

Position: Physical Health & Education Teacher – Full Time

Start Date: September 1, 2022

The School

The Westside School is operated by Westside Preparatory Society, a non-profit Society constituted under the Society Act of British Columbia. The school is a Group 2 Independent School accredited by the Ministry of Education of British Columbia and inspected by them at regular intervals. The school is funded by fee income, by philanthropy, a school loan and by the government grant. The school is obliged to operate in accordance with The Independent School Act of British Columbia and its attendant Inspector's Orders.

Job Description

The Westside School seeks dynamic, aspirational, energetic, and expert collaborators with strong qualifications and growth mindsets to join its exceptional team. We wish to add expertise in the position of Physical & Health Education teacher for students in Kindergarten to Grade 12 for the 2022/23 school year.

The teacher will plan for and provide appropriate learning experiences for all students in a variety of educational settings. Successful candidates will be able to:

- Model the school's published Core Values
- Create and maintain the classroom ambiance necessary to enable learning and promote enjoyment
- Give students frequent, individual feedback on their work and progress
- Participate in the school's co-curricular program
- Create and nurture respectful, warm relationships with colleagues, students, and parents
- Participate fully in the Pastoral Care Program of the school by acting thoughtfully as a teacher and by understanding that all teachers are responsible for the pastoral care of all students and should, therefore, insist on good manners, good behaviour, wholesome language, smart uniform etc. from all students

Required Qualifications

- BC Professional Teacher Certification from the BC Teacher Regulation Office
