

## **ARTIST in EDUCATION GRANT- 2023-2024**

ArtStarts is again extending grants to independent schools (Group 1, 2, 3 and 4) in British Columbia to assist in bringing the arts and children together in the 2023-2024 school year through the Artist in Education (AIE) initiative.

The BC Arts Council and the Province of BC will contribute up to 70% of the professional artist fees for BC Artists, up to 40% for Canadian Artists outside of BC. Please check the 'Home base' residence status of the artist before submitting your grant request. Typically, AIE grants range from \$200 – \$2,500. If your grant request exceeds \$2,500, please investigate to determine if the project would be better funded through the [Artist in the Classroom \(AIC\) grant](#), which is managed by ArtStarts and not FISA.

Schools are expected to apply for grants only toward programs having educational merit and which are offered by professional organizations or artists performing in:

- *theatre*
- *music*
- *visual arts*
- *literary arts organizations and artists*
- *dance*

### **Ineligible Expenses** include:

- Fees for artists residing outside of Canada
- Non-professional artists (including established youth companies)
- Students attending events outside of school hours that require single ticket purchases for each student or where admission fees are charged
- School assemblies with non-arts based motivational speakers and novelty acts
- Administrative/staff time required to manage the program
- GST/PST
- Supplies or materials (e.g., project kits that students complete under the direction of a professional artist)
- Mid to long-term Artist in Residence programs which may be more suitably funded through the [Artist in the Classroom \(AIC\) grant](#).

Consult [www.artstarts.ca](http://www.artstarts.ca) for additional grants available directly from ArtStarts and not available through FISA.

## AIE Application procedures:

- a) Please complete the application form and submit it to FISA
- b) Documentation of projected costs, such as a pamphlet or quotation indicating current rate for performance in your area, MUST accompany your application. Please do not send in an application without documentation.
- c) Applications will be received until September 12, 2023, at 4:00 P.M. Late applications will be waitlisted in the order received.
  - FISA strongly urges schools to book artists through ArtStarts booking service. The \$45 booking fee is included in the directory's Artist Fees listing and is eligible for reimbursement at the "up to" 70% (BC artist) or "up to" 40% (non-BC Canadian artist) rate. Access the Artist Directory and Booking Form on the ArtStarts website <https://artstarts.com/artist-directory>.
- d) FISA will notify schools of their approved grant amount by mid-November.
- e) Following the event, please provide proof of payment in one of the following formats: receipt from artist, copy of cancelled cheque, confirmation from the artist showing paid in full, or paid ArtStarts booking service invoice.

## Considering Cultural Context and Safety

All applicants should consider the issues around cultural appropriation if artists they are selecting are using the cultural forms, aesthetics or iconography of cultural communities removed from their social, political and cultural roots. Cultural appropriation can also occur when there is insufficient credit given to the sources of artistic and cultural work. Cultural appropriation can cause harm to Indigenous and diverse communities through misrepresentation and stereotyping. It diminishes access and reduces the opportunity for artists from Indigenous and diverse cultural communities to tell their own stories.

If artists are working with Indigenous peoples, communities, culture or intellectual property (including but not limited to stories, songs, dance, designs, art, traditional knowledge or other cultural expressions), applicants should consider the principles outlined in the [United Nations Declaration of the Rights of Indigenous Peoples](#) (the Declaration). The Declaration affirms that Indigenous peoples have the right to self-determination and the right to practice and revive their culture and traditions. As stated in Article 11 of the Declaration,

*"This includes the right to maintain, protect and develop the past, present and future manifestations of their cultures, such as archaeological and historical sites, artefacts, designs, ceremonies, technologies and visual and performing arts and literature."*

Article 31 of the Declaration affirms the rights of Indigenous peoples to maintain, control, protect and develop their cultural heritage, traditional knowledge and cultural expressions and their manifestations and intellectual property. If you are working with traditional knowledge, you will need to explain how you have addressed cultural protocols and/or received permissions where required.

When considering which artists and arts experiences to submit with this application, please take cultural safety and appropriation seriously to ensure that students are thoughtfully engaging with traditional knowledge and stories in context. The [revised BC curriculum](#) offers an approach that we support:

*"It is particularly helpful to co-operate and engage with experts from the community when learning about culture-specific contexts to avoid offence or misrepresentation or appropriation of culture. Cultural appropriation includes use of cultural motifs, themes, "voices," images, knowledge, stories, songs, drama, and so on without permission or without appropriate context or in a way that may misrepresent the real experience of the people from whose culture they are drawn."*

If you are seeking further clarification on cultural context and safety, we encourage you to reference ArtStarts in Schools' [Anti-Oppression Guidelines](#). We are grateful for the learnings from our friends at [Inner Activist](#), [PeerNet](#), [SOGI 123](#) and [Tierra Negra](#).

### Definition of Professional Artist or Arts Organization

Artists engaged in all funded activities must qualify as **practicing, professional artists**.

A professional artist is defined as someone who has specialized training in the arts (not necessarily in academic institutions); is recognized as a professional by their peers (artists working in the same artistic tradition); is committed to devoting more time to their artistic activity, if financially possible; and has a history of public presentation or publication. (Definition from Canada Council for the Arts). Further to this definition, Indigenous Elders, Traditional Knowledge Keepers, and other artists with Indigenous or other culturally traditional arts practices fall under the definition of professional artists.
