HOW TO BECOME AN AMS of FISABC MEMBER

Thank you for your interest in joining the Associate Member Society of FISABC (AMS). We are the most diverse society within FISA BC encompassing over 140 individual member schools with a wide variety of pedagogical and faith-based approaches. Our member schools include Montessori, Waldorf, International Baccalaureate, First Nations, special needs, and religious schools (among them evangelical Protestant, Seventh-day Adventist, Jewish, Sikh, Muslim) with a combined enrolment of over 23,000 students.

- (b) The requirements for provisional membership includes all the criteria as set out in Bylaw 3.3, including a membership visit.
- (c) Schools in the provisional membership category are entitled to all AMS services. They are able to attend general meetings but do not have the right to vote. They may not use the AMS or FISA logos on any school materials or communications.

- (e) Schools wishing to transition to full membership must submit two Ministry Inspection reports. These must be judged satisfactory by the Board.

APPLICATION PROCESS:

Once AMS receives a membership application form, we undertake the following process:

1. The Authority is contacted in order to arrange for a meeting to be attended by the school's senior Administrator and a representative of the Board of Directors. The Authority is asked to provide the AMS team with the latest external evaluation report, the latest financial statement (preferably audited), and a schematic diagram of the school and property along with their application form.
2. The AMS team is usually made up of two AMS Directors along with the Executive Director and/or President of FISA BC.

Treasurer - Gabe Linder, Secretary - Saima Naz, Cathy Domke, Rebecca Watkin

3. The visit includes:
 - A conversation in which the school provides an overview of its operations.
 - A review of the external evaluation report, financial statements, and a schematic of the school and property.
 - A tour of the school, including visits to several classrooms.
 - A discussion of AMS membership expectations, including fees, probation, and adherence to the AMS Constitution and the FISA BC Code of Good Practice.
4. The AMS team submits a report of their visit, including a recommendation regarding membership, to the AMS Board. The Board then determines whether to accept the school into membership, and the School Authority is notified of the decision.

AUTHORIZED REPRESENTATIVES

Successful membership applicants must appoint an individual to serve as their Authorized Representative, who will receive all official communications from the Society and vote at general meetings. Provisional members do not appoint Authorized Representatives until they have successfully transferred to full AMS membership.

ANNUAL AMS MEMBERSHIP FEES

Fees are due to the AMS office within one month of notification of membership approval. For the 2026-2027 school year AMS fees are \$3.00/FTE student.

FISA BC

Full AMS membership automatically leads to membership in the Federation of Independent School Associations in BC (FISA BC). FISA BC represents over 300 independent schools through five separate member societies (Association of Christian Schools International in BC, Associate Member Society of FISA BC, Catholic Independent Schools of BC, Independent School Associations of BC, Society of Christian Schools in BC). FISA BC advocates for parental choice, recognition and funding, the pursuit of excellence, strengthening educational practice, and contributing to the public good. The three of the six AMS Directors serve as FISA BC Directors. Schools holding provisional AMS membership status are not FISA BC members.

FISA annual membership fees for 2026-2027 are \$7.75/FTE student.
